- **Parjointco and associated parties control 93.98% of Pargesa's voting rights after initial acceptance period of the offer. Parjointco has consequently declared the offer successful.**

On 22 April 2020, Parjointco Switzerland SA (Parjointco) launched a public exchange offer for all publicly held bearer shares of Pargesa Holding SA (Pargesa) with a par value of CHF 20 each.

At the end of the initial acceptance period of the offer on 8 June 2020 at 16:00 CEST, 28'468'839 bearer shares had been notified for acceptance in the public exchange offer. This represents 75.55% of the 37'680'640 bearer shares to which the offer extends.

As a consequence, Parjointco and the persons who are deemed to be acting in concert with it hold or have the right to acquire 67'923'758 bearer shares of Pargesa. This, together with the 77'214'700 registered shares of Pargesa held by Parjointco N.V., the parent company of Parjointco, represents 89.06% of Pargesa's share capital and 93.98% of its voting rights per 8 June 2020.

This threshold ownership level fulfils the key pending condition of the public exchange offer. Parjointco has consequently declared the offer to be successful.

The definitive result of the initial acceptance period will be announced on 12 June 2020.

Following completion of the offer, Parjointco intends to take Pargesa private by applying for the delisting of the Pargesa shares from SIX Swiss Exchange.

Additional acceptance period until 26 June 2020

As outlined in the prospectus, the offer will be re-opened during an additional acceptance period of ten trading days, which will begin on 15 June 2020 and will end on 26 June 2020 at 16:00 CEST.

Conditions to the offer as per prospectus

In the prospectus published on 22 April 2020, Parjointco indicated that the offer was subject to the following conditions:

- (a) Minimum acceptance rate. Upon expiry of the initial acceptance period, the offer has been accepted for such number of Pargesa shares which, when combined with the Pargesa shares held by Parjointco and the persons acting in concert with it, account for at least 90% of Pargesa's voting rights.
- (b) Amendment of the articles of association of GBL. The extraordinary general meeting of shareholders of GBL should have approved an amendment to GBL's articles of association relating to a doubling of the voting right for fully paid-up shares, registered for at least two years without interruption in the name of the same holder, as provided by the new Belgian Code on Companies and Associations.
- (c) No prohibition. No judicial or administrative authority should have issued any decision preventing, prohibiting, or qualifying as inadmissible Parjointco's exchange offer or its completion.

Given the number of shares that were notified for acceptance in the offer at the end of the acceptance period, condition (a) is satisfied. Condition (b) was already satisfied on 28 April 2020, when an extraordinary general meeting of shareholders of GBL approved the introduction of a double voting right in GBL's articles of association. Condition (c) will remain valid until the first settlement date of the offer, which is expected to take place on 16 June 2020.
